Some things to know before arriving:

If you do not have a profile on the Central Virginia ASA Website, please visit the link below and establish your team profile. This will allow us to post the tournament results, and for those teams interested, the ASA points will also be updated. http://centralvirginiaasa.com/Teams/add_Team.asp

Once you have your profile, please click here to register for the tournament on the ASA website. We obviously know you are registered, but by registering here also, it will help maintain the database. This is important to publish the tournament results and maintain the points. Thanks for cooperating with us on these two items: http://centralvirginiaasa.com/Tourneys/view_Tourney.asp?ditneve=1033

YOUR TOURNAMENT ROSTER is due to the tournament director BEFORE THE FIRST PITCH OF YOUR FIRST SCHEDULED GAME. You may email it to the FAS office (office@fairfaxadultsoftball.com) or bring with you to the tournament and hand to a tournament director prior to your first pitch. The maximum number of players on your roster is 20. Please note: once the roster is submitted, no additions or changes are permitted; make sure you include anyone that may be showing up late or so they are able to participate. Players need not be present to be included on a team roster. ONLY rostered players are permitted to play in any game of the tournament; and no player may play for more than one team in the tournament.

Double elimination could be reduced to a single elimination or not held at all.
